

INSTRUCTIONAL DESIGN BEST PRACTICES POSTER

Dr. Leo S. Primero III, PhD, MSHCI, MSPTC

A History of Instructional Design and Technology

Authors:
Robert A. Reiser (2001)

Objective:

- Traces the evolution of instructional design
- Links media and technology to learning outcomes
- Promotes systematic, scalable practices

Enabling Systemic Change: ePortfolio Implementation

Authors:
Sherry Blevins & Jennifer Brill (2017)

Objective:

- Integrates reflection and feedback loops
- Aligns portfolios with learning outcomes
- Scaffolds digital literacy for sustainability

The Everydayness of Instructional Design

Authors:
McDonald et al. (Online Learning Journal)

Objective:

- Emphasizes iterative refinement and quality review
- Upholds consistent design standards
- Ensures learner-centered alignment

Bichronous Online Learning: Perspectives, Best Practices, Benefits

Authors:
Martin, Sun, & Ritzhaupt (Online Learning Journal)

Objective:

- Blends synchronous / asynchronous learning
- Encourages engagement and flexibility
- Ensures inclusive accessible design

Instructional Design Fieldbook

Authors:
K. A. Wolfe, J. Herron, & W. V. Chaves (2022)

Objective:

- Offers frameworks and strategies for academic and corporate design
- Promotes accessibility and inclusive learning environments
- Encourages reflection for continuous improvement
